

WMTV ON LOCATION

T3 Advisor Conference March 13-16, 2023

Get the most out of your conference marketing investment with our on-site video interviews. If you're sponsoring or exhibiting at T3 this year, don't miss the opportunity to schedule an on-site video interview with WealthManagement.com while you're there.

It's a great way to showcase your thought leadership and expertise by sharing exciting news about your latest products and services. Offer insights and perspective on industry developments. Or reveal your newest advisor tech capabilities.

And it couldn't be easier: prepare your answers to a couple of questions for your -3-5 minute interview at the show and we'll provide you with a link to your final professionally edited video shortly after the event is over.

Choose from the Standard (video-only) option with basic promotion, or be part of our Insider Packages that include additional branding opportunities and lead generation.
